Newport Daily News

TUESDAY MORNING, MARCH 2, 1858.

For President in 1860,

JOHN C. FREMONT,

OF CALIFORNIA.

"In the Louisiana House of Representatives a bill has been introduced relative to Massachusetts, one provision of which is, that no debt owing to a citizen of that State shall be recoverable in the courts of Louisiana.

That would be a very bright enactment, should it ever become a law, and would tend mightily to promote the credit of our Louisiana brethren in the ancient city of Boston, and among the multitudinous and multifarious manufacturers of the Bay State who of course would jump at the chance of trusting such a delightfully moral and honest people.

But, indeed, we suspect there is no need of any legislation on the subject—our Massachusetts neighbors having already, and for many years past, found it quite hard enough to collect pay for the goods intrusted to dealers, not in Louisiana alone, but throughout a good part of the Slave States. New Bedford, Roxbury, Lowell, Lawrence, and even the industrious little town of Lynn, have all smarted, as well as Boston by reason of their Southern customers.—And we will bet a shad-scale that several places we wot of, in the "Land of Steady Habits," ay and of Rhode Island too, could give an ugly-looking account of their trades with the chivalry of Louisiana and other empires in that quarter.

"If you are a gentleman and meet a lady of your acquaintance in the street, it is her part to notice you first, unless, indeed, you are very intimate. The reason is, if you bow to a lady first, she may not choose to acknowledge you, and there is no remedy; but if she bows to you, you, as a gentleman, cannot cut her."

What a wise bird an owl is, eh? Yet an owl's wisdom is a small matter, compared with that of the dunces who are evermore thrusting themselves forward as oracles and arbiters of etiquette.

The above extract, from one of our exchanges, is a specimen of the oracular givings-out which we occasionally see on this subject. With the rule therein laid down, for the lady to make the first recognition, we do not care to quarrel—it may be well enough in general—but when the oracle begins to assign a "reason," for his rule, he forthwith exhibits his ears in a melancholy manner.

If a man, *as a gentleman*, cannot refuse to return the salutation of a lady in public—will the author of the above "guide to politeness" tell us and the public how a woman, *as a lady*, can refuse to return a gentleman's salutation? "No remedy," forsooth! There is as much remedy in the one case as in the other.

☞ A lady of our acquaintance, who, in addition to other excellencies has the great and uncommon merit of sincerity, recently received an invitation to a fashionable party, to which she returned the following reply. We commend it to others who lack the sincerity and courage to decline such invitations:

BOSTON, Jan. 20, 1858.

My Dear Mrs. T.—My husband and I are tired of evening parties and morning headaches. I must be honest. Jane and Mary Ann say that it is "a horrid bore," but they will "accept with pleasure." I am sorry that they feel obliged to resort to such hypocrisy. Besides, you know you don't want us. You only think you *must* make a party because you have been invited to others to which you did not want to go. When it is over, you and your guests will rejoice equally. Allow me to make a suggestion. Why not confer a favor upon yourself and them, and upon those who would appreciate the kindness, by giving up the party, and by investing the money intended for wine, oysters and low necked dresses, in solid nourishment for those to whom a biscuit would be a luxury, and whose bare shoulders would no longer shiver were they covered with comfortable shawls?

Truly and sincerely yours, ——.

Boston Journal.

GRETNA GREEN MARRIAGES.—The force of custom over law is exemplified by the continued resort of lovers who have unreasonable parents or friends, to that famous locality known as Gretna Green. A recent Scotch paper says: The vicinity of Gretna Green is still dangerous to ardent couples, but the wholesome operation of the new law is frequently illustrated. Imprudent lovers, not out of their 'teens, who could, without difficulty, a year or two ago have tied the Gordian knot at the Blacksmith's hard by, have been compelled to perform legal quarantine before they could be admitted to the haven of their desires. In two instances lately, the necessity of these preliminary steps has led to reflection, and the union has been prevented by the interference of friends. In a third instance the impatient couple determined to effect the transition upon the old system. They accordingly went to Gretna, and were there 'married' in due form. Of course the proceeding was illegal, but though the couple have been assured of this, they either do not or affect not to believe it, for they are now living openly together as man and wife, and are no doubt considered as such by their friends.

THE WINTER IN EUROPE.—A letter from the Isle of Guernsey, in the English Channel, dated Feb. 4, [illegible] peas, not more than a month since.

LOCAL NEWS.

☞ We have received from Wm. S. Bowen, M. D. a neat pamphlet, published, by the AMERICAN BAPTIST MARINERS SOCIETY, of New York, containing an interesting account of the origin, benefits and method of organization of that institution, together with several addresses which were delivered at its first annual meeting among which we notice that of Capt. Edward Richardson, President of the institution. From a careful perusal of the work we should judge the object of its publication, one which will commend itself to the entire community.

☞ The February number of the R. I. Schoolmaster has laid on our table for several days. It is the last number of the present volume, and is certainly not a whit behind its predecessors in the variety and excellence of its contents or the neatness of its typography. Mr. Mowry the present editor has shown himself a very suitable person for the position which he occupies and we wish him every success in his efforts to increase the circulation and consequently the usefulness of the SCHOOLMASTER.

☞ Our friend Elias Nickerson, Esq. Sheriff of Providence County, has conferred a lasting obligation upon us by sending by mail, for our enlightenment a little work which he has recently published containing a list of all the present members of the General Assembly, together with their age, weight, occupation, Native State, No. of seat and also whether they are single or married. We hope a work of this kind will be published hereafter, at the January Session of the General Assembly, regularly, either by the Sheriff or some other suitable person, so that the people may never be at a loss in regard to the changes of members. It will also be useful in showing the comparative phisical condition of those who remain in their present honorable positions.

☞ The annual report of the "Butler Hospital for the Insane" has been received. It contains much interesting matter in regard to that institution, and will be eagerly sought after for the value of its contents.

☞ The Ladies Wreath and Parlor annual for March contains several pretty stories and also its usual supply of well executed engravings. Jno. F. Scovill publisher No. 8 Spruce street. New York.

☞ The following music, lately published by Oliver Ditson & Co., Boston, Mass., has been handed in to us by Dr. Wood of the city music store, of whom it can be procured:—

"March Funebre" by V. Busch. Is very good.

Sounds of Friendship." Is a beautiful nocturne by J. H. Schemit.

Souvenir des Alpes, Scottisch," by Edward Ambuhl. Is very pretty and not difficult.

Woodside Quadrilles," by E. Von Nordhansen, are easy and pleasing.

"Long I've watched," by Dronet. Is a pretty song from the Opera of "Preziosa," it has a fine flute obligato.

"Norsk Nationalsang." Is the Norwegian national hymn. Arranged with variations, by T. D. Tellefsen.

BUYING "OLD MASTERS."—The following extract from a private letter lately received by Palmer, the sculptor, from a distinguished Ex-Governor, now in Rome, contains a suggestive commentary on those numerous art-bargains, in which the purchaser as well as the picture is "sold:"

"I have not the rage for what are called and sold for 'Old Masters.' There was a case before the courts here a short time since, of a gentleman who had purchased an authenticated and certified original painting, with a celebrated name, for £800, ($1000.) He subsequently learned that the original was in a certain gallery or palace, and that he had only a copy. He sued the person from whom he purchased it, and on the trial the painter who made his copy was a witness, and swore that he made it and received only $30 for it from the merchant who sold it to the plaintiff. Such cases are not uncommon. The imitating of old paintings is a trade, quite as much as an art, here."

HOW THEY WERE CONVERTED.—The conversion of Messrs. Douglas, Wise and Walker, three Democratic candidates for the Presidency, from the fellowship with the fire-eaters, was doubtless owing, says the North American, to their perusal of the 75th chapter Psalms, 5th and 6th verses:

"Lift not up your horn on high; speak not with a stiff neck.

For *promotion* cometh neither from the *East*, nor from the *West*, nor from the *South*."

Of course promotion must come from the *North*.

The Philadelphia correspondent of the *Tribune*, writes as follows:—A most singular story has obtained currency here within a week or two, which is worth reproducing for the information of your readers.—Thomas Allibone, the distinguished financial hero of the Bank of Pennsylvania, it is said is likely to come into possession of a fortune of two millions of dollars, in right of his wife, who is said to be one of the heirs of the great Jennings estate now about to be distributed in England among those lawfully entitled to receive it. This great [illegible] is not a newspaper [illegible].

California News.

We announced the arrival of the steamer Moses Taylor from California in our issue of yesterday, and to-day give the following summary of the Fortnight's news from the 'Alta California' of Feb. 5th.

The main topics of news for the past fortnight have been the proceedings of the Legislature, a multitude of suicides and bloody affrays, and a severe storm.

The Legislature has done very little work as yet; in fact, there is not much work for it to do. No important bill has yet been passed, though more than a month has elapsed since the commencement of the session.

Mr. Ferguson offered in the Senate, on the 1st inst., a series of resolutions, approving of the positions taken by Douglas in regard to the Kansas question. The resolutions have been made the special order for the 12th inst.

A Committee of the Legislature has been in this city, making investigations about the Pacific Mail Steamship Company. No report has yet been published, and the result of the investigation is unknown.

Governor Weller has appointed a Mr. Brocklaback, his brother-in law, to be his Private Secretary. He also nominated S. H. Brooks, of Stockton, to the office of State Comptroller, but subsequently withdrew the nomination.

A violent storm visited the state about ten days ago, and lasted three days.—Along the coast, and in the the valleys a large amount of rain fell; in the mountains there was snow, hail and frost. In Tuolumne country much damage was done by violent gusts of wind, which blew down aqueducts and unroofed various houses.

Two brothers named Robert and Francis Brubaker were shot on the 25th ult., near Stockton, by J. C. Glenn. Robert was killed outright, and Francis was mortally wounded.

A shooting affray occurred in Orovillee on the 27th ult., and resulted in the wounding of five persons, viz: Constable McLaughlin, Justice Berry, Jack Hunter, Albert Clark, and Mr. Brooks. The affair occurred in the office of Berry, Justice of the Peace.

An attempt was made on the night of the 26th ult. to assassinate Mr. Folger, local reporter of the Sacramento Union, by striking him with a slung shot. Though severely cut on the head he managed to escape.

Gen. Clarke has sent two companies of artillery to San Bernardino, to remain there as protection against any possible inroads by the Mormons, until instructions are received from Washington.

It is rumored that the schooner Isabella Ebbetts was wrecked at the mouth of the Albion River on the 15th ult.

The City.

The United States Branch Mint of this city was closed on the 20th ult., for repairs. It will probably be closed for a fortnight.

The lelistative committee on commerce and navigation, after a session of nearly two weeks, closed their labors, in this city, on the 25th ult. They have been examining into the affairs of the Pacific Mail Steamship Company, with a view of memorializing Congress to divide the mail contract between two, and perhaps three, companies—by the Panama, Nicaragua, and, perhaps, the Tehuantepec routes—thus ensuring a weekly mail, and aiding to support an opposition line, and a reduction of fare.

The Board of Delegates of the Fire Department have refused to order a new election for chief engineer, or to declare the election illegal. On motion to grant Mr. Whitney a certificate of election the board stood 17 to 17.

Capt. Joseph Adams, aged about 55 years, attempted suicide on the evening of the 29th ult., by jumping off Pacific street wharf. He was laboring under temporary aberration of mind.

From the Northern Coast.

We have advices from Portland to the 21st ult., but there was no news.

From Olympia we have dates to the 23d ult. Lesdi, the Indian chief, sentenced to be hung on the 22d ult., was not executed, because the sheriff could obtain no guard to assist on the occasion.

Governor Douglas has issued a proclamation notifying all the world that persons mining for gold on Frazer's river must pay the regular miners' tax. The mines there are said to be rich.

THE ATLANTIC TELEGRAPH.—The United States steam frigate Niagara will probably sail from N. York some day next week for London, on her second voyage in aid of the great Atlantic Telegraph enterprise. She will be on this, as on her former and first voyage, under command of Capt. Wm. H. Hudson. Since her return she has been caulked and refitted, the main rigging has been changed by the substitution of larger chains, and the fore and maintopsail yards, which were found to be too light, have been replaced by heavier ones. She has also been repainted, and now looks "as good as new."

Her muster roll embraces 401 men, all told. Her complement on the previous trip was 600 men, but experience demonstrated that such a number could not be comfortably accommodated in consequence of the great space required for the telegraph cable. The marine force consists of 50 men, and about an equal number belong to the engineer department. The remainder, including officers, are picked sailors.

In a town not far from the line which divides Essex and Middlesex counties in Mass., one night last week, a hen-house was entered and robbed of its contents. The owner of the property, on going into the hen-house in the morning, found his feathered tribe missing, but on the floor lay a wallet, which was found to contain *sixty dollars* in current bank bills, with the *name* of the man to whom it belonged. We are told that he passes for a *respectable* and *honest* citizen, but that he has not yet called for his wallet.

SUICIDE OF A CLERGYMAN.—Rev. Simeon Durfee, son of Hon. Job Durfee, committed suicide in Tiverton on Tuesday morning last. He had been in a deranged state of [illegible] When discovered life was extinct. He was about thirty years of age, and unmarried.

A Hundred Years to Come.

Oh, where will be the birds that sing,
A hundred years to come?
The flowers that now in beauty spring,
A hundred years to come?

The rosy lip, the lofty brow,
The heart that beats so gaily now?
Oh, where will be love's beaming eyes,
Joy's pleasant smile, and Sorrow's sighs,
A hundred years to come?

Who'll press for gold this crowded street,
A hundred years to come?
Who'll tread yon church with willing feet,
A hundred years to come?

Pale, trembling age, and fiery youth,
And childhood with its brow of truth,
The rich and poor, on land and sea,
Where will the mighty millions be,
A hundred years to come?

We all within our graves shall sleep,
A hundred years to come!
No living soul for us will weep,
A hundred years to come!

But other men our lands will till,
And others then our streets will fill;
While other birds will sing as gay,
As bright the sunshine as to-day,
A hundred years to come!

DIED.

On board the brig John Pierce, at sea, on February 19th, Benjamin M. Seabury, of this city, aged 27 years and 6 months.

In this city, 28th inst., James, son of James Greene, aged 7 years and 9 months.

Funeral will take place this day. Tuesday, at 10 o'clock, from his father's residence, No. 6 Mann Avenue.

READ! READ!! READ!!!—"Ye afflicted read" the following Certificate of cure of over 20 years' standing:

H. T. HELMBOLD—Dear Sir:—I have been troubled with an affliction of the Bladder and Kidneys for over twenty years. I have tried physicians in vain, and at last concluded to give your genuine preparation a trial, as I had heard it highly spoken of. It afforded me immediate relief. I have used three bottles, and I have obtained more relief from its effects and feel much better than I have for twenty years previous. I have the greatest faith in its virtues and curative powers, and shall do all in my power to make it known to the afflicted. Hoping this may prove advantageous to you in assisting you to introduce the medicine. I am truly yours, M. McCORMICK.

ALPINE HAIR BALM
—FOR—
Restoring Grey Hair to its original Color.

☞ Warranted to cure Baldness, Scurf, Dandruff, Itching and all diseases of the skin. This Balm gives the scalp a new and healthy action; restores the coloring matter to the roots of the Hair, which passes through the Hair and gives a natural color without the use of Hair Dye.

It keeps the hair from falling off.

Mr. Mason, Sir:—I have found a Hair Restorative in your Alpine Balm, which has not merely changed the gray locks for their original, but has given them a glossy hue, which before they never had

Providence, July 30, 1857.

C. A. P. Mason,—Dear Sir—I am now using the Alpine Hair Balm, which I had of you, with most happy results. On the 30th of June last, my hair (which had been gray for more than six years) was fast falling off; but on the third application of the Balm it ceased falling, and is now firmly rooted, and very nearly its original color. By the use of one bottle, I confidently expect a complete, permanent, luxuriant and original head of hair. If every gray haired skeptic would *try it*, they would soon become "living epistles, known and read of all men," as having used the Alpine Hair Balm. Yours, &c.

ESTIMONY OF A LADY OVER 50 YEARS OF AGE.

Mr Mason, Sir—I write to inform you how pleased I am with your Alpine Hair Balm.—My hair has been gray for a number of years, and I have been obliged to wear a front piece and cap; but have always found a difficulty when having a bonnet on to keep the front piece from working back and showing the white hair. Finally I concluded I would try your Alpine Hair Balm; I used one bottle only and my hair has come back to its natural color, which was brown. My hair is now perfectly free from dandruff and is soft and glossy.

Very respectfully, SARAH LYON.

THE LIVER INVIGORATOR.

PREPARED BY DR. SANFORD.

Compounded Entirely from Gums,

IS One of the best Purgative and Liver Medicines now before the public, that acts as a Cathartic, easier, milder, and more effectual than any other medicine known. It is not only a Cathartic, but a Liver remedy, acting first on the Liver to eject its morbid matter, then on the stomach and bowels to carry off that matter, thus accomplishing two purposes effectually, without any of the painful feelings experienced in the operations of most Cathartics. It strengthens the system at the same time that it purges it; and when taken daily in moderate doses, will strengthen and build it up with unusual rapidity.

SANFORD'S LIVER INVIGORATOR

The Liver is one of the principal regulators of the human body; and when it performs its functions well, the powers of the system are fully developed. The stomach is almost entirely dependent on the healthy action of the Liver for the proper performance of its functions; when the stomach is at fault, the bowels are at fault, and the whole system suffers in consequence of one organ—the LIVER—having ceased to do its duty. For the diseases of that organ, one of the proprietors has made it his study, in a practice of more than twenty years, to find some remedy wherewith to counteract the many derangements to which it is liable.

To prove that this remedy is at last found, any person troubled with LIVER COMPLAINT, in any of its forms, has but to try a bottle, and conviction is certain.

These Gums remove all morbid or bad matter from the system, supplying in their place a healthy flow of bile, invigorating the stomach, causing food to digest well, PURIFYING the BLOOD, giving tone and health to the whole machinery, removing the cause of the disease—effecting a radical cure.

BILIOUS ATTACKS are cured, and, WHAT IS better, prevented, by the occasional use of the Liver Invigorator.

One dose after eating is sufficient to relieve the stomach and prevent the food from rising and souring.

Only one dose taken before retiring, prevents NIGHTMARE.

Only one dose taken at night, loosens the bowels gently, and cures COSTIVENESS.

One dose taken after each meal will cure DYSPEPSIA.

One dose of two teaspoonfuls will always relieve SICK HEADACHE.

One bottle taken for female obstruction removes the cause of the disease, and makes a perfect cure.

Only one dose immediately relieves CHOLIC, while

One dose often repeated is a sure cure for CHOLERA MORBUS, and a preventive of CHOLERA.

Only one bottle is needed to throw out of the system the effects of medicine after a long sickness.

One bottle taken for JAUNDICE removes all sallowness or unnatural color from the skin.

One dose taken a short time before eating gives vigor to the appetite, and makes food digest well.

One dose often repeated cures CHRONIC DIARRHOEA in its worst forms, while SUMMER and BOWEL complaints yield almost to the first dose.

One or two doses cures attacks caused by WORMS in Children; there is no surer, safer, or speedier remedy in the world, as it never fails.

A few bottles cures DROPSY, by exciting the absorbents.

We take pleasure in recommending this medicine as a preventive for FEVER and AGUE, CHILL FEVER, and all Fevers of a BILIOUS TYPE. It operates with certainty, and thousands are willing to testify to its wonderful virtues.

All who use it are giving their unanimous testimony in its favor.

☞Mix Water in the mouth with the Invigorator, and swallow both together.

THE LIVER INVIGORATOR

IS A SCIENTIFIC MEDICAL DISCOVERY, and is daily working cures, almost too great to believe. It cures as if by magic, even the first dose giving benefit, and seldom more than one bottle is required to cure any kind of Liver Complaint, from the worst Jaundice or Dyspepsia to a common Headache, all of which are the result of a Diseased Liver.

Price one dollar per bottle.

A BEAUTIFUL HEAD
OF
RICH GLOSSY HAIR
COMPLETELY PRESERVED TO THE GREATEST AGE

And who that is grey would not have it restored to former color? or bald, but would have the growth restored, or troubled with dandruff and itching but would have it removed, or troubled with scrofula, scald head, or other eruptions, but what would be cured, or with sick head ache, (neuralgia) but would be cured? It will also remove all pimples from the face and skin. Prof. Wood's Hair Restorative will do all this. See circular and the following.

ANN HARBOR, November 5, 1856.

PROF. O. J. WOOD—Dear Sir: I have heard much said of the wonderful effects of your Hair Restorative, but having been so often cheated by quackery and quack nostrums, hair dyes, &c., I was disposed to place your Restorative in the same category with the thousand and one loudly trumpeted quack remedies, until I met you in Lawrence county some months since, when you gave me such assurance as induced the trial of your Restorative in my family—first by my good wife, whose hair had become very thin and entirely white, and before exhausting one of your large bottles, her hair was restored nearly to its original beautiful brown color, and had thickened and become beautiful and glossy, upon, and entirely over the head; she continues to use it, not simply because of its beatifying effects upon the hair, but because of its healthful influence upon the head and mind. Others of my family and friends are using your Restorative, with the happiest effects; therefore, my skepticism and doubts in reference to its character and value are entirely removed; and I can and do most cordially and confidentially recommend its use by all who would have their hair restored from white or grey (by reason of sickness or age,) to original color and beauty, and by all young persons who would have their hair beautiful and glossy.

Very truly and gratefully yours,
SOLOMON MANN.

FRIEND WOOD:—It was a long time after I saw you at Blissfield before I got the bottle of Restorative for which you gave me an order upon your agent in Detroit, and when I got it we concluded to try it on Mrs. Mann's hair, as the surest test of its power. It has done all that you assured me it would do; and others of my family and friends, having witnessed its effects, are now using and recommending its use to others as entitled to the highest consideration you claim for it.

Again, very respectfully and truly yours,
SOLOMON MANN.

CARLYLE, ILL., June 28, 1852.

I have used Prof. O. J. Wood's Hair Restorative, and have admired its wonderful effects. My hair was becoming, as I thought, prematurely gray, but by the use of his Restorative it has resumed its original color, and, I have no doubt, permanently so.

Maryland State Lotteries.
F. FRANCE & CO., MANAGERS.

CAUTION NOTICE.

PERSONS living at a distance should be extremely cautious of whom they order Lottery Tickets or Certificates of Packages of Tickets. The country is flooded with bogus and swindling Lotteries. Every inducement is held out to get persons to invest money in them. Capital Prizes of from $20,000 to $10,-000 head their schemes—with tickets at One Dollar. $100,000 Capital Prizes are offered, tickets $5. All such, in every instance, are frauds; and if money is sent to them for tickets, it is so much thrown away without the shadow of a chance of getting a prize. Beware of all Lotteries where the Capital Prize is unusually large in comparison to the price of tickets. In every instance where large prizes are offered for a small cost of tickets, put it down as a certain fraud.

The Kentucky State Lottery for the benefit of the Shelby College, under our management, is the only Lottery in the United States which is legally decided by the Maryland Drawings; all other Lotteries which purport to be decided by the Maryland Drawings are frauds.

THE MARYLAND STATE LOTTERIES.

Purchase in the Maryland State Lotteries, then you are sure of being right. And in ordering in the Maryland Lotteries you are sure of fair and honest drawings.

One thing look to, and that is, if you order from any licensed vender in Baltimore, do not receive any but Managers' Tickets and Managers' Printed Certificates of Packages. The Managers' Certificates have the numbers printed, and have the lithographed signature of R. France & Co.

No one has a right to send his individual certificates, and if he does it, be sure there is a fraud at the bottom of it.

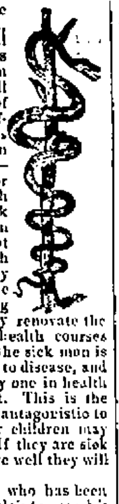
LEMONS,—this day received at
j18 MASON'S.



The following remedies are offered to the public as the best, most perfect, which medical science can afford. AYER'S CATHARTIC PILLS have been prepared with the utmost skill which the medical profession of this age possesses, and their effects show they have virtues which surpass any combination of medicines hitherto known.—Other preparations do more or less good; but this cures such dangerous complaints, so quick and so surely, as to prove an efficacy and a power to uproot disease beyond any thing which men have known before. By removing the obstructions of the internal organs and stimulating them into healthy action, they renovate the fountains of life and vigor—health courses anew through the body, and the sick man is well again. They are adapted to disease, and disease only, for when taken by one in health they produce but little effect. This is the perfection of medicine. It is antagonistic to disease, and no more. Tender children may take them with impunity. If they are sick they will cure them, if they are well they will do them no harm.

Give them to some patient who has been prostrated with bilious complaint; see his bent-up, tottering form straighten with strength again; see his long-lost appetite return; see his clammy features blossom into health. Give them to some sufferer whose foul blood has burst out in scrofula till his skin is covered with sores; who stands, or sits, or lies in anguish. He has been drenched inside and out with every potion which ingenuity could suggest. Give them to him whose angry humors have planted rheumatism in his joints and bones; move him, and he screeches with pain; he too has been soaked through every muscle of his body with liniments and salves; give him these PILLS to purify his blood; they may not cure him, for, alas! there are cases which no mortal power can reach; but mark, he walks with crutches now, and now he walks alone; they have cured him.

Have you the less serious symptoms of these distempers, they are the easier cured. Jaundice, Costiveness, Headache, Sideache, Heartburn, Foul Stomach, Nausea, Pain in the Bowels, Flatulency, Loss of Appetite, King's Evil, Neuralgia, Gout, and kindred complaints all arise from the derangements which these PILLS rapidly cure. Take them perseveringly, and under the counsel of a good Physician if you can; if not, take them judiciously by such advice as we give you, and the distressing, dangerous diseases they cure, which afflict so many millions of the human race, are cast out like the devils of old—they must burrow in the brutes and in the sea. Price 25 cents per box—5 boxes for $1

HOWARD ASSOCIATION
PHILADELPHIA.

A Benevolent Institution, established by special endowment for the relief of the sick and distressed, afflicted with Virulent and Epidemic diseases.

TO all persons afflicted with Sexual Diseases, such as **Spermatorrhœa, Seminal Weakness, Impotence, Gonorrhœa, Gleet, Syphilis, the Vice of Onanism, or Self-Abuse,** &c. &c.

The Howard Association, in view of the awful destruction of human life, caused by sexual diseases, and the deceptions practised upon the unfortunate victims of such diseases by Quacks, several years ago directed their consulting Surgeon, as a **Charitable Act** worthy of their name, to open a Dispensary for the treatment of this class of diseases in all their form and to give **Medical Advice Gratis,** to all who apply by letter, with a description of their condition, (age, occupation, habits of life, &c.,) and in cases of extreme poverty to **Furnish Medicines Free of Charge.** It is needless to add, that the Association commands the highest Medical skill of the age, and will furnish the most approved modern treatment.

The Directors, on a review of the past, feel assured that their labors in this sphere of benevolent effort, have been of great benefit to the afflicted, especially to the young, and they have resolved to devote themselves, with renewed zeal to this very important but much despised cause.

Just published, by the Association, a Report on Spermatorrhœa, or Seminal Weakness, the vice of Onanism, Masturbation or Self-Abuse, and other Diseases of the Sexual Organs, by the consulting Surgeon, which will be sent by mail, (in a sealed envelope,) free of charge, on the receipt of two stamps for postage.

Address, for Report or treatment, Dr. **George R. Calhoun,** Consulting Surgeon, Howard Association, No. 2 South Ninth street, Philadelphia, Pa. By order of the Directors.

JOY TO THE AFFLICTED!

It cures Nervous and Debilitated Sufferers, and removes all the symptoms among which will be found

Indisposition
to Exertion, Loss of
Power, Loss of Memory,
Difficulty of Breathing, General Weakness, Horrors of Disease, weak Nerves, Trembling, Dreadful Horror of Death, Night Sweats, Cold Feet, Wakefulness, Dimness of Vision, Languor, Universal Lassitude of the Muscular System, Often Enormous Appetite, with Dyspeptic symptoms, hot hands, Flushing of the Body, Dryness of the Skin, Pallid Countenance and Eruptions on the Face, Pain in the Back,
Heaviness of the Eyelids, Frequently black spots flying before the eyes, with Temporary Suffusion and Loss of Sight; Want of attention, Great Mobility, Restlessness, with horror of society. Nothing is more desirable to such patients than solitude, and nothing they more
Dread for fear of themselves; no repose of manner, no earnestness, no speculation, manner, no earnestness, no speculation, but a hurried transition from one question to another.

These symptoms, if allowed to go on—which this medicine invariably removes—soon follows Loss of Power, Fatuity, and Epileptic Fits—in one of which the patient may expire. Who cannot say that these excesses are not frequently followed by those direful diseases of *Insanity and Consumption!* The records of the *Insane Asylums*, and the melancholy deaths by *Consumption*, bear ample witness to the truth of these assertions. In Lunatic Asylums the most melancholy exhibition appears. The countenance is actually sodden and quite destitute—neither mirth or grief ever visits it. Should a sound of the voice occur it is rarely articulate

"With woful measures wan despair
Low sullen sounds his grief beguiled."

Debility is most terrible! and has brought thousands upon thousands to untimely graves thus blasting the ambition of many noble youths. It can be cured by the use of this

INFALLIBLE REMEDY.

If you are suffering with any of the above distressing ailments, the *Fluid Extract Buchu* will cure you. Try it and be convinced of its efficacy.

Beware of Quack Nostrums & Quack Doctors who falsely boast of abilities and references.—Citizens know and avoid them, and save long suffering, money and exposure, by sending or calling for a bottle of this popular and *Specific Remedy*

It allays all pain and inflammation, is perfectly pleasant in its taste and odor and immediate in its action.

A CARD TO THE LADIES.

DR. DUPONCA'S Golden Periodical Pills for Females. Perfectly harmless, yet wonderfully and powerfully efficacious in correcting, regulating, and removing all obstruction from whatever cause.

All medical men know, as well as many others, that no female can enjoy good health, unless she is regular; and whenever an obstruction takes place, whether from exposure, cold, or any other cause, the general health begins immediately to decline, and the want of such a remedy has been the cause of so many consumptions among young females. Headache, Pain in the Side, Palpitation of the Heart, Loathing of Food, and Disturbed Sleep, do most always arise from the interruption of nature; and whenever that is the case, the Pills will invariably remedy all these evils; and may always be used successfully as a preventive.—Price $1 per box. For sale at 132 Thames street, corner Church street, and at 12 Washington Square, opposite State House. Orders for the trade so addressed will be supplied at lowest manufacturer's prices. Ladies by enclosing $1 to STURGIS & CO., Box 801, Newport Post Office, can have the Pills sent confidentially by mail to any part of the city or country. a26—

AMERICAN AND FOREIGN OFFICE.

R. H. EDDY, Solicitor of PATENTS
(Late Agent of U. S. Patent Office, Washington, under the Act of 1837.)
NO. 76 STATE, OPPOSITE KILBY ST.,
BOSTON.

AFTER an extensive practice of upwards of twenty years, continues to secure Patents in the United States; also in Great Britain, France and other foreign countries.—Caveats, Specifications, Assignments, and all Papers or Drawings for Patents, executed on liberal terms, and with despatch. Researches made into American or Foreign works, to determine the validity or utility of Patents or Inventions,—and legal or other advice rendered in all matters touching the same. Copies of the claims of any Patent furnished by remitting One Dollar. Assignments recorded at Washington.

This Agency is not only the largest in New England, but through its inventors have advantages for securing patents, or ascertaining the patentability of inventions, unsurpassed by if not immeasurably superior to any which can be offered them elsewhere. The testimonials below give proof that none is MORE SUCCESSFUL AT THE PATENT OFFICE than the subscriber; and as SUCCESS IS THE BEST PROOF OF ADVANTAGES AND ABILITY, he would add that he has abundant reason to believe, and can prove that at no other office of the kind are the charges for professional services so moderate. The immense practice of the subscriber during twenty years past has enabled him to accumulate a vast collection of specifications and official decisions relative to patents. These, besides his extensive library of legal and mechanical works, and full accounts of patents granted in the United States and Europe, render him able, beyond question, to offer superior facilities for obtaining patents.

All necessity of a journey to Washington, to procure a patent, and the usual great delay there, are here saved inventors.

TESTIMONIALS.

During the time I occupied the office of Commissioner of Patents, R. H. Eddy, Esq., of Boston did business at the Patent Office, as Solicitor of procuring Patents. There were few, if any persons acting in that capacity, who had so much business before the Patent Office; and there were none who conducted it with more skill, fidelity and success. I regard Mr. Eddy as one of the best informed and most skillful Patent Solicitors in the United States, and have no hesitation in assuring inventors that they cannot employ a person more competent and trustworthy, and more capable of putting their applications in a form to secure for them an early and favorable consideration at the the Patent Office.
EDMUND BURKE,
Late Commissioner of Patents

From the present Commissioner.

AUGUST 17th, 1855.—During the time I have held the office of Commissioner of Patents, R. H. EDDY, Esq., of Boston, has been extensively engaged in the transaction of business with the office, as a solicitor. He is thoroughly acquainted with the law, and the rules of practice of the Office. I regard him as one of the most capable and successful practitioners with whom I have had official intercourse. CHAS. MASON

THERE are many persons suffering from Coughs, Consumptive tendency, Scrofulous affections, Debility, and Emaciation, that fully believe Cod Liver Oil the only remedy for their maladies, but who hesitate to take it because it *tastes* and *smells* so badly. We request all who entertain this objection to call at our stores, *and receive gratis, a sample bottle of our new oil,*—which is the sweetest and purest ever produced by any manufacturers in the world. It is almost free from taste and smell, and will not be rejected by the most delicate stomach. It will cost nothing to try it. Do not allow the opportunity to pass.

LOTTERIES.

LOTTERIES.—The Lotteries of Samuel Swan & Co., are chartered by the State of Georgia, and have sworn commissioners appointed to superintend their drawings, and certify that everything connected with the same is done in a strictly honorable manner.—They offer to the public a fair opportunity for investment, the interests of parties at a distance being as well protected as though they were present. The managers would respectfully call attention to the fact that all persons have a legal right to send orders for tickets to Georgia, as the lotteries of Samuel Swan & Co., are authorized by the Legislature of that State. A lottery will be drawn every Saturday throughout the year, all orders received being filled in the drawing next to take place after the same comes to hand. According to the scheme one ticket in every ten must draw a prize. Tickets are $10; halves, $5; quarters, $2 50. No tickets sent unless the money accompanies the order. The drawings are upon the principle of one number on each ticket, and are so simple that none can fail to understand them. There is no combination of numbers to mistify the buyer. Prizes vary from $10 to $60,000; every prize being drawn and result of drawing forwarded to all purchasers.

☞ A list of the numbers that are drawn from the wheel, with the amount of the prize that each one is entitled to, will be published after every drawing, in the following papers:—Augusta (Geo.) Constitutionalist, New Orleans Delta, Mobile Register, Charleston Standard, Nashville Gazette, Atlanta Intelligencer, New York Weekly Day Book, Savannah Morning News, Richmond Dispatch, New York Dispatch and Paulding (Miss.) Clarion.

GEORGIA LOTTERIES.

THE Lotteries of ANDERSON & SON, are chartered by the State of Georgia, and have sworn commissioners appointed by the State, to superintend their drawings, and certify that everything connected with the same is done in a strictly honorable manner, and that the interests of parties who reside at a distance are as well protected as if they themselves were present at the drawings. Another fact which the managers call attention to is, that all persons have a legal right to send orders for tickets to Georgia, as lotteries are legalized by a special law in that State. A lottery is drawn at Savannah, Ga., about the 15th of every month, and another is drawn at Macon Ga., *every Saturday throughout the year.* If no particular class is named, orders are filled by the first drawing to take place after the communication comes to hand. The prices of tickets are from $1 to $10. No tickets are, however, sent unless the money for the same is received with the order. The drawings are upon the principle of one number on each ticket and are so simple that none can fail to understand them. There is no combination of numbers, which has so mystified the community for years past. Prizes vary in amount from $10 to $60,000. Every prize being drawn, and result of drawing, or other information, forwarded to all purchasers.

A list of the numbers that are drawn from the wheel, with the amount that each prize is entitled to, will be published after every drawing, in the following papers; New Orleans *Delta*, Savannah *News*, New York *Dispatch*, and New York *Atlas*. Write your address plainly, and direct to

LOTTERIES.—The well known Maryland Consolidated Lotteries, of which R. FRANCE & Co. are the managers, are chartered by the state of Maryland, and a commissioner elected by the people, who is sworn to superintend and certify that everything connected with them is done in a strictly honorable manner, and that the interests of parties who reside at a distance are as well protected as if they themselves were present at the drawing. Another fact which the managers call attention to, is, that all persons have a legal right to send orders for tickets to Maryland, as lotteries are legalized by special law in that state. A lottery is drawn every day in the month. If no particular class is named, orders are filled in the first drawing to take place after the communication comes to hand. The prices of tickets vary from $1,00 to $20.—No tickets however, sent unless the money for the same is received with the order. The drawings are upon the principle of one number on each ticket (after the Havana plan), and Ternary combination. Prizes vary in amount from $20 to 1000,000. All orders for tickets or packages will receive prompt attention, and the drawing mailed to all purchasers immediately after it is over. Address

MEDICINES.

THE GREATEST WONDER OF THE AGE.

A REMEDY which CURES IN FIVE MINUTES.—M. LEROUX'S French Cholera Cognac Bitters. This truly wonderful scientific compound is recommended by the most eminent and learned physicians of all Europe and America, and enjoys the best reputation of anything similar ever offered. It is without doubt, the best most efficient and generally acknowledged remedy against cholera, dysentery, diarrhoea, and complaints of the stomach in general. The numerous patients who have tried it according to directions have invariably found relief in a very short time, and the best proof of it is, that since this standard remedy was introduced in the armies of the Allies in the Crimea, the mortality of the soldiers from cholera and similar diseases was diminished by over 75 per cent.; in consideration of which, the inventor was presented by the French and English governments with a gold medal, bearing the inscription, "Hail! M. Leroux, the great chemist and inventor, by whose knowledge our armies are preserved from cholera."

This invaluable preparation is also a remedy for billiousness, indigestion, weakness, and general derangement of the stomach. Upon being taken, it creates appetite, and prevents the heaviness attendant upon eating by persons who are dyspeptic.

In this city, also this remedy has been tried with the most undoubted success, and the undersigned can produce the best testimonials of our most celebrated physicians, as to its immediate and complete success, which he will be happy at any time to show to any that may wish to see them. S. STEINFELD,
Sole Agents for the United States, 70 Nassau street, corner of John, N. Y.

P. S.—Those not able to pay, may call at my place from 3 to 6 p. m., and receive this remedy gratis. a19—1y

THE BEST CATHARTIC

that has yet been introduced to the public. It is active and powerful, but easy in its operation—a full dose operating in three or four hours, usually *without any pain*, and, unlike other cathartics, it does not leave the bowels in a costive state.

Many persons suffer from JAUNDICE—many have an excess of BILIOUS ACTION in the SPRING OF THE YEAR—and are debilitated in consequence. For all this class of diseases this is *A Sovereign Remedy*. CAUTION.—In consequence of the merited popularity of the Lykins Valley Coal, and its economy for family use, some dealers in this city are buying a spurious article similar in appearance, and offering the same for the genuine coal.
